

To and From Dublin

Dublin is highly accessible from all around Europe with direct connections from almost all European capitals and from many regional airports also.

For those travelling from further afield, Dublin Airport is also particularly well-connected to London Heathrow, and other international hubs at Paris, Amsterdam and Frankfurt.

At the airport, **bus** transport is plentiful into Dublin city centre.

There is also a **taxi** stand outside the arrivals buildings of each terminal.

If you are travelling in Ireland before or after the conference, you might find it useful to consult the train and bus websites.
